## **FLORE – DISHWASHER TABS**

### **TECHNICAL SHEET**

**TL 793/2017**

Date of issue: 16.6.2017

Date of revision: -

#### **Product characteristics**

**FLORE – DISHWASHER TABS** contain sodium carbonate (CAS: 497-19-8), disodium carbonate, mixture with hydrogen peroxide (CAS: 15630-89-4), Alcohols, C10-16, ethoxylated (CAS: 68002-97-1), silicic acid, sodium salt (1.6 <MR <2.6) 1344-09-8)

#### **Use**

**FLORE – DISHWASHER TABS** is an effective detergent for dishwashing in automatic dishwashers.

#### **Product features**

**FLORE – DISHWASHER TABS** are tablets of 20 grams weight in blue, yellow and white.

#### **Product processing**

Before putting the dishes into the dishwasher, remove any food residue from dishes and cutlery. Put the dishes into the dishwasher in accordance with the manufacturer's recommendations so as not to interfere with the free movement of the upper and lower spray arms. Make sure the filter is clean before each starting of the dishwasher. Remove the protective film from the tablet, place the tablet in the dispenser and properly close the dishwasher door. If you select a short wash program or if the entire tablet does not dissolve, it is recommended to place the tablet on the bottom of the dishwasher. Tablets are only for use in dishwashers.

**Dosage:** One tablet per wash cycle, regardless of the amount of dishes and degree of contamination. In case of heavy dirt, it is recommended to wash the dishes at 65 ° C. In the case of hard water (above 17 ° dH), softening salt and polishing agents for dishwashers are recommended. Information on water hardness can be obtained from your local water company.

**Caution:** Keep tablets out of the reach of children. In case of damaged or sensitive skin, avoid long-term contact with the product. In case of direct contact of the skin with the tablet, wash your hands thoroughly. Do not clean in dishwashers: Antique hand-painted porcelain, crystal and hand-painted glass, dishes decorated with gold or other noble metals, bone, wooden or plastic handles, aluminum or plastic products having no temperature resistance above 70 ° C.

#### **Packaging, storage**

**FLORE – DISHWASHER TABS** are supplied in a paper box containing 40 tablets of 20 grams weight, or in other pre-agreed packages. Store in closed containers in places protected from direct weather conditions. The recommended storage temperature is +5 to +25 ° C. Store in a dry place away from children. Short-term exposure to lower temperatures, for example during transport, does not affect the application characteristics of the product.

#### **Transport**

**FLORE – DISHWASHER TABS** are transported by covered means of transport. Not subject to ADR / RID regulations.

#### **Shelf life**

When the product is transported and stored in accordance with the above conditions, is its shelf life

24 months from the date of production.

**Note**

Data about the product characteristics and its processing were obtained by laboratory measurements and application tests. This technical sheet can only give a legal advice without obligation, the processing of the product must be adapted to the specific conditions.
